resources commissions, but will call me back after confirming with staff

Interesting on both fronts; thanks --

Thanks for the text. Wasnt aware there was disagreement between pipeline and dominion

Between Dominion and us on Pipeline

Just sent you article

Interesting

Sent you an email with a pdf that i think confirms this (i.e. earliest it could have been authorized is october 13, 2017)

Ok

The final EIS' recommendation for the pipeline route was adopted by FERC, however the EIS is not legally binding

The final EIS was issued July 21, 2017
